Annual Child Sponsorship Educational Program

Xavier's English School Budhiganga rural municipality

Morang Koshi province, Nepal

30 May 2023

Background

HEARD Nepal as an organization striving to work on the benefit of the marginalized children through supporting their education decided to provide high quality education to under privileged children. Hence HEARD Nepal has joined hand with the Uplift A Child International, a Non-profitable organization that helps poor and needy children to complete their quality education in many countries around the world. Children in rural Nepal do not have access to quality education as the quality of education imparted to these children is poor. Most of the poor students drop their schools due to financial crises. This Sponsorship program aimed to ensure the quality education to the selected children and help the children realize their full potential. The project seeks to ensure quality education for children in rural areas and to create equal opportunities.

Procedure

HEARD Nepal's founder, president and professional volunteers and coordinator accessed Budhiganga rural municipality of Morang district Nepal located in the joining area of Biratnagar. Xavier's English School was found fulfilling all the criteria's which was provided by Uplift a child international. It was a boarding school and have excellent performance too. The HEARD Nepal team then arranged meeting along with HEARD Nepal Officials with the school principal, management committee, teachers and local reputed personnel's as well as Mayor too. Afterwards, the joint team was made along with them for finding out the most poor and vulnerable students from around the locality who could complete up to secondary level education regularly if supported.
